

## Volker & JinHyeog GLISSMANN

### MALAWI

**Location:** Zomba

**Mission:** Theological Education & Music Ministry

*Volker is the Executive Director of one of PCI's long-term partners: TEEM (Theological Education by Extension in Malawi).*

Due to the nature of my work in TEEM, there are times in the year when there is little exciting to report...

I am the head of a theological training institution and my job is very administrative, but in certain months it is VERY administrative!

The ministry continues in all centres. My own "Knowing God" grass roots training course continues to run on a Wednesday evenings. Our Diploma students are preparing for examinations in June.

Otherwise, I am busy with:

- Financial audits
- Terms of reference of audits
- Financial policies
- Board and management meetings for TEEM and its Development School
- Grade assessments
- A stakeholder questionnaire and its assessment
- Developing marking plans
- Project proposals
- Project reports
- Planning for the next academic year

## Prayer Points

- Praise the Lord for the overall ministry of TEEM and our outreach to the grass roots church.
- Pray for wisdom at this peak administrative time so that the right decisions are made.
