

Volker & JinHyeog GLISSMANN

MALAWI

Location: Zomba

Mission: Theological Education

Volker is the Executive Director of one of PCI's long-term partners in Malawi: TEEM (Theological Education by Extension in Malawi).

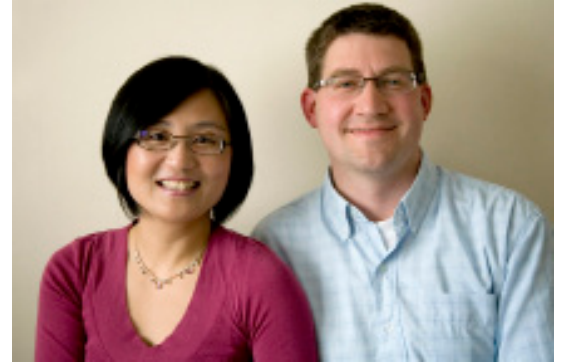

The last few days were a bit tense as vampire/blood sucker rumours have resurfaced in some areas of the southern region where we live.

Due to mob justice, five people have died in recent weeks, but last weekend was very tense, even in Blantyre, where two people were killed.

Since then, it has been quiet and the police have arrested over 140 people in order to discourage the vigilante groups causing the problems.

The situation now seems to be under control, however there is a lot of fear around at the moment and a rumour can quickly develop and escalate into deeper problems.

The problems at the weekend were actually on the only two roads that lead to Lina's school in Blantyre.
