Two weeks ago we had our second graduation for the 'Knowing God - Old Testament' course here in Zomba. The course was very well received and everyone enjoyed it.

It was very exciting to see the changes in some of the learners over the 12-week course. It was a delight to see how God is speaking to His people. Afterwards, one student said to me that she hoped that all her studies would follow our format as the emphasis was on understanding, not on gaining facts.

The feedback is quite good and our learners said that they see God in a different light now. God is indeed very gracious and compassionate, who journeys with His people. Throughout the last five weeks of the course I was asked every week about the follow up course on 'Knowing God - Jesus'. It is an encouraging sign that everyone wants to learn more and to see how the beginning of the story finds its fulfilment in Christ.

In the meantime, the newly translated course has now also started among the Ellomwe speakers. This is very exciting. We expect about 200 learners to sign up for the course.

## Prayer Points

- Praise the Lord for the good reception of the 'Knowing God' course.
- Pray for our facilitators among the Ellomwe speakers as this is a new undertaking.
- Pray for us as we write the 'Knowing God - Jesus' course over the next months. Continue to pray for our course writer Gordon, that his health is restored and that God's peace is with him and the family.
