### MALAWI

**Location:** Zomba

**Mission:** Theological Education & Music Ministry

*Volker is the Executive Director of one of PCI's long-term partners: TEEM (Theological Education by Extension in Malawi).*

The last few weeks have been busy as we think about and plan how TEEM's new short courses should be designed and what learning activities we want to incorporate in order to achieve transformational learning.

It has been a very interesting journey in planning how reflection and application can be thoroughly incorporated in the courses, and how our students can apply their learning.

We have now decided to get two courses up and running, one on preaching and the other about knowing God from the Old Testament.

This keeps us busy and the plan is that the first pilot course for the Old Testament course will be in March.

## Prayer Points

- Praise the Lord for the good discussions and insights that we had as we prepared the course material.
- Pray for wisdom and insight as we prepare the material for the pilot course on preaching.
- Pray for our outreach, that we can identify a good group of students to join us for the pilot course.
